

Newsletter 7 – Friday 24th October, 2014

What a wonderful first half-term we've all had! Our children are wonderful. Our parents are amazing. And our teachers are all champions!

Thank you to everyone for making La Fontaine Academy such a haven of creativity, joy, and excellence.

Enjoy a restful break. See you on Tuesday 4th November, ready for an exciting second half of the Autumn Term.

Don't forget, Monday 3rd November is an INSET day (training day for teachers), so school won't be open then.

A bientôt,

Sebastien

~~~~~

### **Home Prep – Half-Term Homework**

Our E-Learning Platform is proving very popular with our children. Over half-term, we would expect all children to access our e-learning resources for at least 20 minutes per day. Please, go to [www.lafontaineacademy.org/home-prep](http://www.lafontaineacademy.org/home-prep) for more details and to access our key educational apps/programmes. Note that Skoolbo is only available for Year 1 and Year 2.

### **School Council – Daffodils Contest**

Our School Councillors have been busy organising their first charity event. They would like all families (children working with their children) to design a daffodil and a pot. The daffodils will be placed around the school to show our support to the Marie Curie Foundation (whose logo is a daffodil).

### **Clubs**

Please, could all parents who have signed their children up to Little Kickers please call on 0208 303 0211 to organise their payment before the Tuesday 4<sup>th</sup> November?

### **Childcare Vouchers**

To parents who have requested using childcare vouchers: we will be looking into this after half-term and we will keep you updated.

### **ParentPay**

Please, check ParentPay over the half term and remember to pay for your child's clubs (including Le Petite Dejeuner des Champions and STEP Zone) in advance. You can access ParentPay from our website.

## Parent Governor

Congratulations to Eleonor Paxman (Coco's mum, in Year 1) who was elected as Parent Governor this week. All Governors and staff look forward to working with her. Eleonor will be joining us at our next Local Governing Body meeting at the end of November.

## Food Menu

Our new food menu is available on our website at [www.lafontaineacademy.org/menu](http://www.lafontaineacademy.org/menu)

## Uniforms – VERY IMPORTANT

Please, do make sure that all uniform items are clearly labelled. Quite a few jumpers, cardigans, blazers, ties, etc. are still not labelled which makes things very difficult for children and teachers as they get changed for PE/clubs, etc.

For health and safety reasons, please be reminded that children cannot join in PE activities (including sports clubs after school) if they have not got their full PE kit (including school t-shirts and plimsolls). Quite a few children have already outgrown their plimsolls, for instance, and need to get new ones.

**DOES YOUR CHILD HAVE A CHAMPION?**

**OPEN DAYS:**  
06<sup>TH</sup> & 27<sup>TH</sup> NOV 2014  
8<sup>TH</sup> JAN 2015

Our vision is to create an outstanding school focused on language learning which will provide children with the best education they deserve. We want every pupil at our school to succeed academically while also enabling them to grow as joyful individuals who will have the confidence to shape the world around them.

Join us for an open day to learn more. À BIENTÔT !  
Dr Sebastien Chapleau, Headteacher
