

SPORTS PREMIUM REPORT – 2014-2015

The government has provided £150 million per year for the academic years 2013-2014 and 2014-2015 to increase funding for school sports. The funding has been jointly provided by the Departments for Education, Health and Culture, Media and Sport. The money goes directly to schools to enable them to improve the quality of PE and sport for all children. Each school receives £8,000 plus £5 per pupil per year. At La Fontaine Academy, this means we will receive approximately £8,420 for 2014-2015. Schools must spend this on improving their sports and PE provision, but can choose how to do this.

Number of pupils and Sports Premium Grant (SPG) received	
Total number of pupils on roll	84
Total allocation of SPG	£8,420

Nature of support in 2014-2015				
Year group	Item/project	Cost	Objective	Outcome
All	Purchasing of additional sports equipment	£6,000	To improve the fitness levels of all children and target those who are reluctant to engage in sports activities.	All children participating in sports activities during playtime and lunchtime breaks.
All	Development of a PE curriculum used by all staff and time for a member of staff to develop a healthy Schools action plan	£1,800	To establish a culture of sports excellence and celebration amongst pupils, staff, and parents/carers. To draw up a curriculum that reflects variety of coverage and prioritisation of sports participation in all pupils, with a lasting legacy for the whole school. To design and deliver a whole-school sports day.	Whole-school curriculum drawn up. Whole school sports day. La Fontaine received a Bronze Award from healthy Schools London and is now working towards a Silver Award.
All	Transport costs to take all children swimming for 12 weekly sessions	£800	To develop healthy habits from age 4.	100% children and parents/carers feeling back positively about weekly trips to the swimming pool. Confidence amongst all pupils in terms of taking the bus weekly and getting changed rapidly.
