

ALWAYS AIMING HIGHER, TOGETHER

Newsletter 3.23 – Monday 13th March, 2017

Dear friends,

No words can begin to describe the sadness many of us feel right now. Many of us are feeling upset about the unjust nature of what our wonderful Madame Davis has had to go through. Many of us are left speechless at the unjust nature of what her two young children are now having to endure.

In such times, however, we are grateful that we have one another to talk to and lean on. It is the relationships we have established between ourselves, as parents/carers, staff, neighbours, friends, which will help us keep a smile on our faces. We will need each other to remember the wonderful times spent in Madame Davis's company.

Many thanks to the many parents/carers for your wonderful messages of support sent over the weekend.

A book of condolences will be available to all who would like to leave a message in memory of our wonderful Madame Davis.

Madame Davis joined our school community in September 2015 and the impact she has had so many of us will never be forgotten.
