

### SPORTS PREMIUM REPORT – 2016-2017

The government has provided £150 million per year to increase funding for school sports. The funding has been jointly provided by the Departments for Education, Health and Culture, Media and Sport. The money goes directly to schools to enable them to improve the quality of PE and sport for all children. Each school receives £8,000 plus £5 per pupil per year. At La Fontaine Academy, we received £8,990 in 2016-2017, which amounted for 162 children in terms of our January census, plus an adjustment to reflect our increased pupil numbers (which had significantly changed between January 2015 and January 2016). Schools must spend this on improving their sports and PE provision, but can choose how to do this.

Number of pupils and Sports Premium Grant (SPG) received	
Total number of pupils on roll	162
Total allocation of SPG	£8,990

Nature of support in 2016-2017				
Year group	Item/project	Cost	Objective	Outcome
All	Purchasing of additional sports equipment	£5,000	To improve the fitness levels of all children and target those who are reluctant to engage in sports activities.	All children participating in sports activities during playtime and lunchtime breaks.
All	Development of a PE curriculum and time for a member of staff to further develop a healthy Schools action plan	£1,400	To establish a culture of sports excellence and celebration amongst pupils, staff, and parents/carers. To draw up a curriculum – including additional year groups – that reflects variety of coverage and prioritisation of sports participation in all pupils, with a lasting legacy for the whole school. To build on our Healthy School agenda, supporting all teachers to develop activities with their classes, in addition to weekly PE and Fitness sessions.	Whole-school curriculum drawn up. Whole school sports day. La Fontaine is working towards a Gold Award.
All	Transport costs to take all children swimming for 6 weekly sessions	£1,500	To develop healthy habits from age 4.	100% children feeding back positively about their weekly trips to the swimming pool. Confidence amongst all pupils in terms of early swimming skills. Emerging cohort of children developing

				competitive skills in swimming.
All	PE coach course to further develop the quality of our delivery of PE across the school	£495	To develop cross-curricular physical activities for children.	Whole-school curriculum drawn up.
Years 2-4 (focusing on our most promising athletes)	Membership of local PE association (Bromley School Games)	£350	To take part in cross-borough competitions and enhance competitiveness amongst our most promising athletes.	Participation in a series of intra- and inter-school events. Very positive feedback from the children who've participated. Development of a Gifted and Talented approach to competitive sports.
