BACTÉRIE MON AMIE

Healthy diet & responsible consumption campaign

This week, a series of workshops will take place, involving all children. We are implementing a **PBL Community Initiative on Healthy and Sustainable Food** encouraging plant-based yogurt consumption. A plant-rich diet is better for our health and involves a farming more respectful of the environment. It consumes less natural resources, contributes to slow down the global warming and supports animal welfare.

We will hold 10 workshops; 8 of them will be run by researcher-scientists:

- **Hélène Licandro** from **AgroSup Institute** (see www.maintenant.org.uk/helene-microbiologist)
- **Maxime Haure** from Food Start-up **Atelier du Fruit** (see www.maintenant.org.uk/maxime-food-engineer)

IMPORTANT CAMPAIGN MESSAGES

1. **What is good for our health is also good for the environment**
2. **Encourage plant-rich diet like non-dairy yogurt**

FONTAINE LINKEDIN GROUP

This will help us to make use of any talents or skills in our community for the benefit of the school, and to increase connections between working parents.

DONATIONS

One very important way we can all support the school is by making a financial contribution. We have a number of opportunities available, many with little effort or time required. More information at www.ptalafontaine.org.uk/donate.

Using the MyDonate platform, this scheme allows you to make a monthly donation to the PTA via direct debit for an amount of your choice. Be sure to register via the instructions on our website. It takes less than a minute to sign up.

Sign up to Easyfundraising and every time you shop online, the online retailer will give you a cash reward that you can turn into a donation for the PTA.

Corporate Matched Giving Programmes

If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. Please check with your employer if you are interested.

One-Off Donations

If you would like to do a one-off donation, please do not hesitate to email us at contact@ptalafontaine.org.uk.
